# Spread the cost of your pet's treatment with monthly repayments

Chrysalis Finance Ltd offer a range of funding options for Eye Vet clients to allow you to get the treatment for your pet that your veterinary ophthalmologist has recommended whilst letting you spread the cost over a time that suits you.

- **Can it be used for any treatment?**

Yes, and you can borrow any amount from £350 upwards, subject to status. You need to be over 21 to apply, and you must have lived in the UK for at least 3 years.

- **How much are the repayments?**

This will depend on the amount you borrow, the interest rate and the term of the loan. The team at the practice will gladly show you, completely without obligation, the schemes available to help you pay for your pet's treatment.

- **Do I have to pay a deposit?**

A deposit is not required, but if you want to pay one and so reduce the amount you borrow, this is completely up to you.

- **How do I apply?**

The practice team will complete a simple, online application process with you. This will only take a few minutes. The information is transmitted to the lender immediately and a reply is usually received by return. You can then either sign a credit agreement that the practice prepare for you, or have it emailed for you to complete at home.

- **When can I start the treatment for my pet?**

Immediately - as soon as the credit agreement has been signed.

- **How do I make repayments?**

Repayments are made by monthly direct debit, starting one month after you sign the credit agreement.

- **What if I decide that I don't want the finance?**

There is a statutory 'cooling off' period of 14 days after signature during which you can cancel the credit agreement with no cost to you. However, if you have started any treatment which would have been financed, you will have to make other arrangements to pay for it.

- **Who provides the finance?**

The finance is arranged through Chrysalis Finance Ltd., a company authorised by the Financial Conduct Authority to carry out the regulated activity of credit broking, under Firm Reference Number 631193, and the lender is Shawbrook Bank Plc. Chrysalis Finance Limited, a company registered in England and Wales, company number 6541664, and whose registered office is 1 Worsley Court, High Street, Worsley, M28 3NJ
